

ANCHOR BUILDING FUND

2010

Dear Parents, Friends, Community Leaders, and Organizations,

As you know, our Anchor Program and staff has provided our children with excellent social and recreation programs for the past 42 years! It is now at this 42- year juncture that we are in dire need of a permanent facility – a dedicated Anchor Program Building where we may continue to service our children’s needs in all of the wonderful and exciting Fall/Winter/Spring and Summer activities.

You need to know that the actual Program Calendar is continually shrinking as the facilities that we rent or borrow are reducing their availability to us (Anchor) for varied reasons. The Anchor Summer Camp located at Lido Beach has increasingly fallen prey to extreme volatile weather conditions; excessive heat, and torrential rainstorms. The campers, volunteers, and staff are without access to shelter in a building.

We need a building for ANCHOR and we need it now!

We hope to break ground on our new Camp Anchor Indoor Facility to be located at a site in Lido Beach adjacent to the present summer camp. The Rotary Foundation #7250 and our Parent Association have been committed to this project for the past two years, having raised over \$800,000.. This has been a significant community based project involving schools, community organizations, family foundations, and church groups. Right now we need to raise an additional \$2,000,000.

ANCHOR is not just a summer camp program; this is a year-round nationally recognized program. This building will be nurture and shelter for today’s child and guarantee a haven for tomorrow’s child.

The Rotary and the Anchor Parent Advisory Committee members have actively pursued building contractors and vendors in an attempt to keep the building costs down. This effort must include all Anchor families and friends as well! We need your support now!

The Parents and Rotary Members have established a new 501 (3) c, non-profit organization, called The Anchor Building Fund. We have held numerous exciting and successful fund-raiser over the past two years and others are in the planning stage.

They deeply care about *Anchor*...we need to demonstrate to the community at large that the Anchor child is everyone’s child.
